

# THE FINAL FRAME

## PREPPING A FALCON

photo by Tech Sgt. BEN BLOKER

Tech. Sgt. Paul Holloway prepares an F-16 Fighting Falcon for engine run at the Virginia Air National Guard located at Sandstone. The Virginia ANG is currently transitioning to the new F-22A Raptor at Langley Air Force Base and will replace the F-16s as early as October 2007. Sergeant Holloway is a maintenance technician with the 192th Aircraft Maintenance Squadron.
